School Cancellations

School cancellations are made over CICR 99.1 FM and documented on the CCRSB Website: www.ccrsb.ca. When school is cancelled, all school events for that day, included extra-curricular and evening activities taking place at the school are also cancelled.

Signing In and Out

Any student arriving late or leaving early must sign in/out at the Administration Office. All students signing out must have permission from their parent or guardian. This can be done through a note from home or calling the office.

To ensure the safety of students and staff all visitors are asked to sign in at the Administration office upon entering the school.

Parental Question or Concern

A process has been put in place to ensure parents/guardians receive prompt response to questions or concerns that cannot be resolved at the school level. If you feel that an issue has not been resolved, a CCRSB Parental Concern Referral Form is available through the main office.
